Re: Farmdale Development Corporation Application for an Adjustment in Rates  
Case #2007-00436

Dear Ms. O'Donnell:

The Application for Adjustment in Rates filed by Farmdale Development Corporation was date-stamped received on October 3, 2007. To date, the Kentucky Attorney General and Kenny and Marilyn Glass have filed Motions to Intervene in this case. In my experience, the holding of an informal conference in an Application for an Adjustment Rates helps to identify the issues to be addressed and expedite the resolution of the case. Accordingly, Farmdale Development Corporation respectfully requests the review of its Application to determine whether an informal conference would be helpful in concluding this matter and if so, requests the Commission to schedule same at its earliest convenience.

Thank you for your attention to this matter, and please feel free to contact me should you wish to discuss same.

Respectfully,

Robert C. Moore
